1. The CMLS Mortgage Fund is offered on a private placement basis pursuant to prospectus exemptions and is only available to investors who meet certain minimum purchase amount requirements under applicable securities legislation. This communication does not constitute an offer to sell or solicitation to purchase securities of the Fund. The offering memorandum contains important information about the Fund including its investment objective and strategies, purchase options, applicable management fees, other charges and expenses and should be read carefully before investing. An investment in an exempt fund is considered high risk and appropriate for those who qualify and can absorb significant loss. 2. Historical performance represents Class I units net of a 1% fee. Class F unit distributions began in December 2019, however, given the same fee structures, Class F historical returns would have been the same as Class I returns. 3. Average annualized return since inception. 4. Unless otherwise indicated, all information herein is as of November 30, 2025. 5. In certain instances, the CMLS Mortgage Fund may invest in partial interests of loans through securitized structures.
